Revised Hazard Communication Standard Training

Facility Name: _____

Date: _____

Employee's Name: _____

I acknowledge and understand the training I received today. The training included:

1. Communication that changes have been made to the Hazard Communication Standard.
2. Explanation of the labeling system changes, including the label elements such as:
 - a. Product identifier
 - b. Signal word
 - c. Pictogram
 - d. Hazard statement(s)
 - e. Precautionary statement(s)
3. How I might use the labels in the workplace and a general understanding of how the elements work together on a label.
4. Explanation that the current Material Safety Data Sheets will be replaced by a new Safety Data Sheet (SDS) format over time.
5. A review of the format of the SDS, the 16 sections on the SDS, how the SDS works with the label and a sample sheet.
6. Communication that workplace labeling will be changing between now and June 1, 2016, when the new system will be in place.
